Chapter 11

Case No. 22-11068 (JTD)

(Jointly Administered)

**DECLARATION OF ROB ESPOSITO IN SUPPORT OF DEBTORS' FORTY-NINTH  
(SUBSTANTIVE) OMNIBUS OBJECTION TO CERTAIN OVERSTATED AND/OR  
PARTIALLY UNLIQUIDATED CLAIMS (CUSTOMER CLAIMS)**

I, Rob Esposito, hereby declare under penalty of perjury:

1. I am a Senior Director at Alvarez & Marsal North America, LLC (“A&M”), a restructuring advisory services firm specializing in interim management, crisis management, turnaround consulting, operational due diligence, creditor advisory services and financial and operation restructuring.
2. I have more than 15 years of restructuring experience across various industries, including broadcasting, oil & gas, manufacturing, pharma, transportation, automotive, retail, telecommunications, and healthcare.
3. Since joining A&M, I have been involved in numerous Chapter 11 restructurings, including Alpha Natural Resources, Sandridge Energy, Westmoreland Coal, Endo International, Cumulus Media, Coach America, Cooper-Standard Automotive, Ascena Retail and Exide Technologies.

<sup>1</sup> The last four digits of FTX Trading Ltd.'s and Alameda Research LLC's tax identification number are 3288 and 4063 respectively. Due to the large number of debtor entities in these Chapter 11 Cases, a complete list of the Debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.ra.kroll.com/FTX>. The principal place of business of Debtor Emergent Fidelity Technologies Ltd is Unit 3B, Bryson's Commercial Complex, Friars Hill Road, St. John's, Antigua and Barbuda.

4. I submit this declaration (the “Declaration”) in support of the *Debtors’ Forty-Ninth (Substantive) Omnibus Objection to Certain Overstated and/or Partially Unliquidated Claims (Customer Claims)* (the “Objection”).<sup>2</sup> I am not being compensated separately for this testimony other than through payments received by A&M as financial advisor retained by FTX Trading Ltd. and its affiliated debtors and debtors-in-possession (collectively, the “Debtors”).

5. Except as otherwise indicated herein, all of the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by the Debtors’ management, the Debtors and other Debtor professionals, including the A&M team, involved in advising the Debtors in the above-captioned case (the “Chapter 11 Case”). If called upon to testify, I could and would testify to the facts set forth herein on that basis. I am authorized to submit this Declaration on behalf of the Debtors.

6. The Overstated and/or Partially Unliquidated Claims subject to the Objection were reviewed and analyzed in good faith using due diligence by appropriate personnel of the Debtors, A&M, and the Claims Agent. Indeed, the Debtors and their advisors have spent months reviewing and analyzing proofs of claim and any supporting documentation filed against the Debtors. These efforts resulted in, among other things, identifying the Overstated and/or Partially Unliquidated Claims set forth in Schedule 1 and Schedule 2 to Exhibit A of the Objection.

7. Based on the Debtors’ and their advisors’ ongoing analysis and review, the Debtors and their advisors have determined that the Overstated and/or Partially Unliquidated

<sup>2</sup> Capitalized terms not otherwise defined herein are to be given the meanings ascribed to them in the Objection.

Claims allege incorrect quantities of cryptocurrencies and fiat held by such customer. Based on this review, each of the Overstated and/or Partially Unliquidated Claims listed in Schedule 1 and Schedule 2 includes details indicating that the claims are filed for amounts that differ from, and/or are greater than, the amounts reflected in the Debtors' books and records. I believe certain Overstated and/or Partially Unliquidated Claims assert cryptocurrencies or claim amounts in excess of, and inconsistent with those, as set forth in the Debtors' books and records. In addition, the Overstated and/or Partially Unliquidated Claims also assert a claim against a Debtor who is not responsible for the asserted liability. Certain other Overstated and/or Partially Unliquidated Claims are missing tickers/quantities which were scheduled by the Debtors but not included in the Proof of Claim. Therefore, I believe that the Overstated and/or Partially Unliquidated Claims should be modified and/or reduced to the amount set forth under the heading labeled "Modified Claim" consistent with the Debtors' books and records.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
